

Title of Project: Changing the game for girls in action sports (GASP)

1. I agree to participate in the project named above.
2. I have read and understood the Information Sheet for this study.
3. The nature and possible effects of this study have been explained to me to my satisfaction.
4. I understand that the study involves participation in an interview (up to one hour in duration), the particulars of which have been explained to me.
5. I understand that there are no foreseeable risks involved in participating in this project.
6. I understand that all research data will be securely stored on the University of Tasmania premises for at least five years.
7. I understand that the data/ will be kept for a minimum of 5 years from the last publication arising from this research and maintained in password protected computer files on secure servers behind institutional firewalls, and locked cabinets.
8. I agree/do not agree [**cross out whichever does not apply**] to have my data (including transcripts, and related electronic/paper files) banked for an unspecified period. The implications associated with having the data banked (e.g. the data will be available to the research team indefinitely) have been explained to me to my satisfaction. I understand that if I choose not to have the data banked it will be destroyed after 5 years.
9. I understand that data may be used for other related research purposes, subject to appropriate ethics approvals.
10. I agree that research data gathered from myself for the study may be published for research or educational purposes provided that I cannot be identified as a participant (i.e. I will be assigned a pseudonym).
11. I understand that the researcher will keep my identity confidential and that any information I supply to the researcher will be used only for the purposes of the research or education.
12. I understand that there is no financial cost involved in my participation in this research project.
13. I agree to my participation in this investigation and understand that I may withdraw at any time without any effect, and if I so wish, may request that any data supplied to date be withdrawn from the research.
14. I understand that the interview will be audio-recorded. I understand that I will be offered the opportunity to review and amend my interview transcript before the data from this project is analysed.
15. Any questions that I have asked have been answered to my satisfaction.

Signature:

Date:

Statement by Investigator

I have explained the project & the implications of participation in it to this volunteer and I believe that the consent is informed and that he/she understands the implications of participation

If the Investigator has not had an opportunity to talk to participants prior to them participating, the following must be ticked.

The participant has received the Information Sheet where my details have been provided so participants have the opportunity to contact me prior to consenting to participate in this project.

Name of investigator _____

Signature of investigator _____

Date _____
